REMARKS

This application has been carefully reviewed in light of the Office Action dated

October 28, 2009. Claims 1-8 are pending.

Claims 1-8 are rejected on the ground of nonstatutory obviousness-type double

patenting over claims of U.S. Patent No. 6,427,580. Applicants have submitted a terminal

disclaimer with this paper. Accordingly, applicants request that the Examiner withdraw this

rejection.

In view of the foregoing, it is respectfully submitted that the currently-pending

claims are in condition for allowance and favorable consideration is earnestly solicited. The

Commissioner of Patents is hereby authorized to charge any additional fees or surcharges that

may be required, or credit any overpayment to Account No. 14-1270.

Respectfully submitted,

By _/Paul Im/_
